Classification of solutions for the planar isotropic L_p dual Minkowski problem

Dr. Yao Wan
Tsinghua University

Abstract

The Lp dual Minkowski problem is one of the major problems in convex geometry, which unifies the Lp Minkowski problem and the dual Minkowski problem. In this talk, we will introduce our recent work on the complete classification of solutions to the planar isotropic Lp dual Minkowski problem for any real numbers p,q. This is a joint work with Prof. Haizhong Li.

Date: Dec 12, 2023 (Tuesday)
Time: 3:00pm-4:00pm (Hong Kong time)
