The Institute of Mathematical Sciences
The Chinese University of Hong Kong

Mini-Workshop on Geometry

October 16-17, 2013
Room 502a, Academic Building No.1, CUHK

October 16 (Wednesday)

10:00am – 10:45am   **Erkao BAO** (UCLA, USA)
On J-holomorphic curves for asymptotic J

10:45am – 11:15am   Tea Break

11:15am – 12:00noon   **Martin LI** (MIT, USA)
Min-Max theory and applications

6:00pm   Workshop Banquet

October 17 (Thursday)

10:00am – 10:45am   **Ziming MA** (CUHK, Hong Kong)
Witten deformation and Morse category

10:45am – 11:15am   Tea Break

11:15am – 12:00noon   **José M. MOURÃO** (Instituto Superior Técnico, Portugal)
Geodesics on the space of Kähler metrics, geometric tropicalization and quantization

⤞ All are Welcome ⤝
