IMS PDE Workshop

Date: 15 November 2006, Wednesday
Venue: Room 501a, Academic Building No. 1, CUHK

Program Schedule

Time	Speaker / Talk Title
13:45 – 14:00	*Tea Reception*
14:00 –14:50	**Professor Jian ZHANG** *(Sichuan Normal University, China)* On Nonlinear Schrodinger Equations with Harmonic Potential
14:50 – 15:00	*Break*
15:00 – 15:50	**Professor Wan-Tong LI** *(Lanzhou University, China)* Traveling Wave Fronts in Reaction-Diffusion Systems with Nonlocal Delays and Applications
15:50 – 16:20	*Tea Break*
16:20 – 17:10	**Professor Cheng-Kui ZHONG** *(Lanzhou University, China)* On the Existence of Attractors of Infinite-Dimensional Dynamical Systems
17:10 – 17:20	*Break*
17:20 – 18:10	**Professor Changzheng QU** *(Northwest University, China)* Geometrical properties and symmetries of nonlinear parabolic equations
