

# East-Asia Workshop on Pattern Formations and Reaction-Diffusion Systems

Date: December 14 - 15, 2006

Place: Room 501a, Academic Building No. 1, IMS,  
The Chinese University of Hong Kong, Shatin

Scope :

This three-day workshop aims at disseminating the most up to date advances on mathematics towards understanding of pattern formation and reaction-diffusion systems arising from different branches of applied sciences.

## Partial List of Speakers:

Prof. Theodore Kolokolnikov (Dalhousie University, Canada)  
Prof. Masaharu Nagayama (Kanazawa University, Japan)  
Prof. Yasumasa Nishiura (RIES, Hokkaido University, Japan)  
Prof. Xiaofeng Ren (Utah State University, USA)  
Prof. Tai-Chia Lin (National Taiwan University, Taiwan)  
Prof. Kei-Ichi Ueda (Kyoto University, Japan)  
Prof. Takeo Ushijima (Tokyo University of Science, Japan)  
Prof. Michael Ward (University of British Columbia, Canada)  
Prof. Juncheng Wei (Chinese University of Hong Kong, Hong Kong)  
Prof. Yaping Wu (Capital Normal University, China)  
Prof. Shigetoshi Yazaki (University of Miyazaki, Japan)

Supported by

- Young Researcher Award (Proj. 4411112)
- Institute of Mathematical Sciences, CUHK
